RESPONSE TO NON-FINAL OFFICE ACTION

Dear Sir:

In the matter of the above-referenced application for United States Letters Patents and in response to the Office Action dated 18 February 2004, kindly enter and consider the following amendment and remarks relative to the present application. Applicant herein requests a two-month extension of time and includes corrected Figures 3 and 6 herewith. Please note that the present application has been assigned to Paradigm Genetics, Inc. ("Paradigm"). Submitted herewith are documents that establish the ownership of the subject patent application and the undersigned's authority to act on behalf of Paradigm under 37 C.F.R. § 3.73.
